

Deleting a Diagnosis

Last Modified on 16/05/2019 2:14 pm ACST

Once a diagnosis has been added, it can be deleted.

1. [Search](#) for a patient.
 2. Click **Show**.
 3. In the Main Menu, click **Admissions**.
 4. From the list of admissions, select the **ARN Hyperlink** of the admission.
 5. Scroll down to **Diagnoses**.
 6. Click **Edit**.
 7. Scroll down to the bottom where the Diagnoses are listed.
 8. Click **Delete**.
 9. Click **OK** to confirm.
 - a. **Note:** Any lower priority diagnosis entries will be promoted in priority to fill the gap caused by the deletion.
