Accessing all Invoices & Claims

CareRight has covered all the aspects of billing, claiming, and receipting of different kinds of invoices very broadly.

The Invoices and Claims screen will display the current state and claim statuses for the following types of online claims:

- [In Hospital claims \(IHC\)](#) - for the admission of patients to day-surgeries/hospitals (multi-day admissions)
- [Inpatient Medical claims \(IMC\)](#) - claims for provider services during surgery.
- [Bulk Billed](#)
- [Other](#)

Simply key in the search criteria and search:
