

Adding an Image Category

Last Modified on 01/07/2019 12:56 am ACST

This article is part of the systems administration guide. You will require administration access to view the pages mentioned in this article.

To add an Image Category:

1. Click **Administration**.
 2. Click **Patients**.
 3. Click **Image Categories**.
 4. Click **New**.
 5. Enter a Description.
 6. If Active = Checked - then the category will appear in the pick list.
 7. Click **Create Image Category**.
