

## List of Generic Code Tables

Last Modified on 30/08/2023 1:23 pm ACST

This article is part of the systems administration guide. You will require administration access to view the pages mentioned in this article.

To view a full list of Generic Codes.

1. Click **Administration**.
2. Click **Generic Codes**.
3. Search for the code name or description (e.g., title).
