

Region Pricing

Last Modified on 05/08/2020 3:21 pm ACST

This article is part of the systems administration guide. You will require administration access to view the pages mentioned in this article.

1. Select **Administration**.
2. Select **Accounting** menu item.
3. Select **Rate Region Pricing** sub menu item.
 - a. The **Region Pricings** screen is split into two sections:
 - i. **Search Options**
 - ii. **Region Pricing**

Search Options

The Search Options section has the following search criteria:

- Item
- Rate Definition
- Region
- Effective on Date

Stored Search Criteria (v6.66 Enhancement)

Defined search criteria options are now stored in the user's browsing session and are applied if no filtering options are selected.
