

Medical Providers

Last Modified on 18/05/2023 3:38 pm ACST

This article is part of the systems administration guide. You will require administration access to view the pages mentioned in this article.

Medical Providers are created in the same way as Providers, with the additional section for Accounting and Medical Provider Details. This is for claiming purposes, whether that be in hospital claims, fund claiming and also online versus paper based claiming.

+ Add a Provider or Medical Provider

+ Step 1. Add a Provider with a log in

+ Step 2: Create a user Login for the provider

+ Step 3: Associate a Provider with a Service Location

+ Important Note on Not Normal After Care Invoicing
