

SMS Setup Overview

Last Modified on 05/04/2023 9:25 am ACST

This article is part of the systems administration guide. You will require administration access to view the pages mentioned in this article.

Before SMS are operational, some setup needs to be done.

One off setup

Main article: [SMS Setup - One-off](#)

Configuration

The following SMS configuration should be done at the initial setup of CareRight and can be changed as and when your business practices change:

- [SMS Configuration 1: Create Message Types and Templates](#)
 - [SMS Configuration 2: Set Up Appointment Triggers](#)
-
