# Planning Complete Flag

> This article is part of the systems administration guide. You will require administration access to view the pages mentioned in this article.

The user is able to indicate whether all administrative planning for an theatre list has been completed. If the user has ticked Planning Complete, if will be unticked automatically (by CareRight) if the following occurs:

- An appointment in the session is edited; or,
- A new appointment is added to the session.

See the CareRight User Guide for details on how the user can edit this field.
