1. From the dashboard Administration
1. Click Professional Categories
2. Select Professional Category to edit or
3. Click New to add a Professional Category

The screenshot shows a web interface for editing a professional category. At the top, there is a blue header bar with a left-pointing arrow icon and the text 'Anaesthetist'. Below this is a breadcrumb trail: 'Dashboard / Administration'. The main content area is titled 'Details' and contains three form fields: 'Name' with the value 'Anaesthetist', 'Group' with the value 'Surgeon', and 'Human Service Category' with the value 'Select from list'. Each field has a dropdown arrow on the right. At the bottom of the form, there are two buttons: 'Update Professional category' and 'Cancel'.
