

Appointment Report

Last Modified on 30/01/2024 10:06 am ACDT

Overview

You can access the Appointment Report in two ways,

1. From CareRight inbuilt Reports
2. From appointment List View

Note: Reports can be saved for a future time or make public to be available for all users. Please refer to [reporting overview](#) for more information.

⊕ 1. From the CareRight Report menu

⊕ 2. From Appointment List View
