

## Accessing Pathology & Radiology Requests & Results

Last Modified on 30/04/2025 11:14 am ACST

From the CareRight Dashboard:

1. In the Main Menu, click **Locations**.
  2. Select the location relevant to the Pathology /Radiology results you wish to view.
  3. Select **Pathology and Radiology** sub-menu item.
    - a. The Unmatched Results screen will display as a default.
  4. From here you can:
    - a. Review the Unmatched Results; or,
    - b. Review the matched results via All Results sub-menu item.
-
