

Appointment list - Overview

Last Modified on 15/11/2021 9:58 am ACDT

Overview

From the Appointment List view, the User can

1. Print Appointment list (Appointment Report), see [here](#)
2. Send bulk SMS, see [here](#)
3. Perform associated assessment, see [here](#)

Note

Only Patients with **Mobile Phone** and **Allow Clinical Correspondence via SMS** checked in the Patient Summary tab can send SMS.
