

## Add a new rate table

Last Modified on 25/05/2021 9:16 am ACST

### Overview

After adding a new rate definition, it can now be linked to a Rate Table.

A rate definition can be linked to more than one rate Table.

For example; If two medical providers have the same rate definition, They can create their own rate table with the same Rate definition and set this rate table in the Medical provider setup.

#### Add a new rate table

- Select **Administration**.
  - Select **Accounting** menu item.
  - Select the **Rate Table** submenu item.
  - Select the **New** button at the top of the screen.
  - The Details screen will display, Name the rate table.
  - Select the Rate definition for each of the [Account Types](#).
  - Select the **Create Rate Table** button.
-
