

Tyro Workflow

Last Modified on 10/10/2022 4:46 pm ACDT

An example of a workflow in CareRight for Tyro users

A summary are 3 simple steps:

1. A user to [raise an invoice](#) as per current business process
2. Take the payment via tyro, follow the [Tyro - payment Guide](#)
3. Once payment has been record, then click Claim in CareRight follow [Send a claim Guide](#)

Additional Guide are available "[here](#)": for Tyro Transactions or [here](#) for the setup
