

## Medical Charges in an IHC Claim

Last Modified on 21/07/2023 3:21 pm ACST

When creating an IHC claim, if you are required to also report your medical charges, you can indicate in the *Information Segments* section.

**Note:** It is important not to confuse this concept with an **IMC Claim**. Use this functionality only if you are certain that you must submit this.

### Information Segments

Information segments may be required by the fund to describe additional details related to a claim.

Number of accommodation service  
information segments required

0

Number of theatre service information  
segments required

0

Number of miscellaneous service  
information segments required

0

Number of additional certificates  
required for this claim

0

Number of medical service information  
segments required
