

## Online booking fee setup

Last Modified on 22/09/2023 9:55 am ACST

To set up online booking fee, you can do by two ways:

### Fixed online booking fee

1. Administration
2. Appointment type
- 3.

Booking Fee Strategy	Fixed
Booking Fee	100
Redirect URL after online booking	

4. Select booking fee strategy as fixed, and input your booking fee
5. After finish the online booking process, the stripe page will show the fixed booking fee

### Assessment

1. Administration
2. Appointment type
- 3.

Associated Assessment Name	Online booking
Cool Down Period (working days)	0
	<input type="checkbox"/> Enabled For Theatre
	<input type="checkbox"/> Disabled
	<input checked="" type="checkbox"/> Online Booking
Booking Fee Strategy	Assessment
Redirect URL after online booking	

4. Choose the associated assessment you created
5. Choose booking fee strategy as assessment
6. In your assessment template, a select box field, called booking\_fee **must** be present in it. (select amount in the value field, can't be negative)

text\_area previous diagnosis  
select are you on medications  
hidden\_field patient id  
select ed0955245915140\_select
