Share Pathology/ Radiology Request Form by Email:

CareRight offers the functionality to send a pathology/radiology request to a patient via email. The patient will receive a request form through a link, which they can click on to access and view the request form.

- Click on **Dashboard**.
- Search for a **patient**.
- Click on **show**.
- Click on **Pathology & Radiology** from left side menu.
- Click on Pathology or Radiology Requests.
- Click on the **Share By Email** option.
- Once you click system will present message successfully shared.

The screenshot displays the CareRight patient portal interface. At the top, a blue header bar contains the patient's name, 'Roberto Smith', and navigation links: 'My Health Record', 'Health and disability', and 'Pricing'. Below the header, a white box displays patient details: Facility: Perth, MRN: 000111, CRN: 000082, Referrer: Dr June Brett (022220203), Home: sadgv, ABERGLASSLYN NSW 2320, Male, aged 2 years and 5 months, born on February 20, 2021, currently admitted to Perth. Mobile Phone: 0433391674. Below this, a blue navigation bar lists: PATHOLOGY RESULTS, PATHOLOGY REQUESTS (highlighted), RADIOLOGY RESULTS, RADIOLOGY REQUESTS, FOLLOW UP, and COMPLETE. The main content area shows a breadcrumb trail: Dashboard / Patients / Roberto Smith. Below this is a 'Pathology Requests' section with a search bar and a 'New' button. A table lists the request details:

Location	Medical Provider	Service Location	Service Provider	Request Date	Due Date	Request Status	
Adelaide	Dr Inge DILLON	ADL-IP	Test	16/05/2023	23/05/2023	Requested	<button>Show</button> <button>Print</button> <button>Share By Email</button>

After sharing, users can check the status under the Correspondence "Outbox" tab.
